

# Snowbird Event Technology

Throughout your stay, our professional Event Technology Department can take care of all your conference requirements. Please review our list of equipment and services and contact your Conference Service Manager for coordination assistance. Rental items are charged per day, per room.

Snowbird offers many special design concepts from projection systems to advanced lighting and staging packages that go beyond what is listed. If you are planning entertainment for your group, Snowbird can support all needs required by entertainers or special events.

## Complimentary Equipment

- One house telephone per room.
- Snowbird pad and pens.
- Snowbird Lectern
- One sign easel per room.

**PLEASE NOTE:** Additional equipment, prices and information can be acquired. Audio/Visual equipment not cancelled within 24 hours of use will be subject to a 30% cancellation fee. Prices are charged per day unless indicated otherwise and do not reflect the 22% service charge or applicable sales tax. All prices are subject to change.

**OUTSIDE EQUIPMENT:** A \$25/day power usage fee will be assessed for each room in which a client uses their own equipment. Assistance is available for set-up and teardown at the rate of \$50/hour. For items that require power drops or that exceed the limits of a 20 amp circuit, a three phase power distribution box will be required at \$250/day. Unless prior approval is obtained by Snowbird, the use of outside audio visual equipment or of outside vendors will incur a charge of \$500/day.
