

Event Technology

Our goal is to create meetings that are impactful and memorable. If you would like to learn more about our creative design concepts, contact your Snowbird Service Coordinator today.

This list offers an overview of our most popular rental items and is not a complete inventory. All rental items are charged per day, per room, unless otherwise noted.

Complimentary Equipment

- Station of Snowbird pad and pens.
- Snowbird Lectern.
- One sign easel per room.
- Registration Table Power Strip.

Please Note: Additional equipment, prices and information can be acquired. Audio/Visual equipment not cancelled within 24 hours of use will be subject to a 30% cancellation fee. Prices are charged per day unless otherwise indicated and do not reflect the 22% service charge or applicable sales tax. All prices are subject to change.

Outside Equipment: A \$30/day power usage fee will be assessed for each room in which a client uses their own equipment. Assistance is available for set-up and tear-down at the rate of \$65/hour. For items that require power drops or that exceed the limits of a 20 amp circuit, a three phase power distribution box will be required at \$450/day. Unless prior approval is obtained by Snowbird, the use of outside audio visual equipment or of outside vendors will incur a charge of \$700/day.

Data Projection Packages

Snowbird's data projection packages use HDMI cables. Snowbird's video equipment is HDCP (high-bandwidth digital content protection) compliant and works best with PC laptops equipped with an HDMI output. Snowbird encourages Apple computer users to use PowerPoint for presentation needs. If using an Apple computer please have a backup thumb drive available with your presentation loaded in case a computer switch is needed.

Meeting Support Package \$185

Includes tripod or drop-down screen, projection cart, HDMI cable and power. The meeting support package applies when any outside projectors are brought into the conference center. Package does not include technician labor. Snowbird is not responsible for the safety or functionality of equipment supplied by the client or outside vendors or groups.

Meeting Support Package with HDMI to SDI Video Extender Kit \$225

Includes SDI cables, HDMI extenders and HDMI/SDI adapters. Required for video runs longer than 25 feet. The meeting support package applies when any outside projectors are brought into the conference center. Package does not include technician labor. Snowbird is not responsible for the safety or functionality of equipment supplied by the client or outside vendors or groups.

Ballroom Meeting Support Package \$275

Includes drop-down screen, projection cart, HDMI cable and power. The meeting support package applies when any outside projectors are brought in to the conference center. Package does not include technician labor. Snowbird is not responsible for the safety or functionality of equipment supplied by the client or outside vendors or groups.
