Above the Clouds. Beyond the Expected.

Winter Group Activities

recreate.

Ski or ride Snowbird’s 2,500 snowy acres, explore the backcountry on snowmobiles or slow down and take a scenic snowshoe hike. Or, just relax by a roaring fire and listen to some live music. There’s no shortage of fun activities all winter long, indoors and out.

skiing & snowboarding

Enjoy 3,240 vertical feet of skiing and snowboarding for all skill levels during Utah’s longest ski season. Snowbird averages 500 inches annually of the “Greatest Snow on Earth”.

snowmobiling

Explore over 5,000 scenic acres on a guided snowmobile tour from the top of Hidden Peak through Mineral Basin.

snowshoeing

The Activity Center offers snowshoe tours and rentals daily. After dinner, schedule a group moonlight snowshoe tour.

mountain school & hosts

From first turns on Chickadee to secret pow stashes on the Cirque, get the most out of your mountain experience with Mountain School guides and lessons. Group lesson discounts are available.

helicopter & snow cat skiing/riding

Craving more powder off the beaten path? Explore Snowbird’s world-famous deep snow with a guided snow cat or Heli-skiing tour.

adventure series

Hear inspiring tales of outdoor adventures from Utah’s most prolific outdoor athletes in The Utah Adventure Journal Speaker Series at Snowbird.

special tours

Hone your skills on the slopes through back country tours, geological ranger tours, interconnect tours, and avalanche transceiver skills classes.

special events

Snowbird hosts events throughout the winter ranging from ski races, ski movies and live music to holiday torchlight parades, fireworks and egg hunts. The fun continues all winter long.
