

Above the Clouds. Beyond the Expected.

Amenities

reinvigorate.

Relax the body and refresh the mind and spirit during your stay at Snowbird. Try a massage after an active day on the hill, soak in the view of granite peaks from the hot tub or attend a fitness class in our mountainside studio. Snowbird has the perfect mountain treatment for your specific needs.

the cliff spa

Boasting 21 treatment rooms and over 30 salon services and pampering options, it's the ultimate mountain spa experience. Spend time in the rooftop pool and hot tub or unwind in the eucalyptus steam room and solarium. The fully equipped fitness studio offers yoga, and a variety of movement and meditation classes.

pools & hot tubs

Relax after a day of meetings and activities in one of our all-season heated swimming pools or four slope-side hot tubs. While soaking mountainside, you'll have a perfect view of the sunset.

fitness centers

Located in the Cliff Spa, guests can use the fully equipped fitness facility, locker rooms, dry saunas, eucalyptus steam room and relaxing solarium. Daily fitness classes, including yoga, Pilates and movement classes are offered in the stunning mountainside studio.

retail shops

Find Snowbird souvenirs to bring home, great casual wear or pick up a few groceries at one of Snowbird's handy retail shops around the village.
