your responsibility code

Skiing can be enjoyed in many ways. At ski areas, you may be joined by people using alpine, snowboard, telemark, cross country or other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great snowsports experience.

- 1. Always ski in control, and be able to stop or avoid other skiers or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- You must not stop where you obstruct a trail or
 are not visible from obsystemetry
- are not visible from above.4. Whenever starting downhill or merging into a trail,
- look uphill and yield to others. 5. Always use devices to help prevent runaway
- equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- Before loading, you must understand loading and unloading instructions as posted at the lift/Tram. If you have any questions or need special assistance, notify the lift operator before entering the loading area.
