

# Event Technology

Our goal is to create meetings that are impactful and memorable. If you would like to learn more about our creative design concepts, contact your Snowbird Service Coordinator today.

This list offers an overview of our most popular rental items and is not a complete inventory. All rental items are charged per day, per room, unless otherwise noted.

## Complimentary Equipment

- One house telephone per room.
- Snowbird pad and pens.
- Snowbird Lectern
- One sign easel per room.
- Registration Table Power Strip.

**Please Note:** Additional equipment, prices and information can be acquired. Audio/Visual equipment not cancelled within 24 hours of use will be subject to a 30% cancellation fee. Prices are charged per day unless otherwise indicated and do not reflect the 22% service charge or applicable sales tax. All prices are subject to change.

**Outside Equipment:** A \$25/day power usage fee will be assessed for each room in which a client uses their own equipment. Assistance is available for set-up and teardown at the rate of \$55/hour. For items that require power drops or that exceed the limits of a 20 amp circuit, a three phase power distribution box will be required at \$300/day. Unless prior approval is obtained by Snowbird, the use of outside audio visual equipment or of outside vendors will incur a charge of \$500/day.

## Data Projection Packages

Snowbird's data projection packages use HDMI cables. VGA and DVI cables are available upon request.

### Meeting Support Package . . . . . \$150
