THE CLIFF SPA

FOAM ROLLING

Incorporates foam rollers and gentle yoga stretches to release tension from the connective tissues of the body and stimulate myofascial release.

POWER VINYASA FLOW

An invigorating and challenging vinyasa practice that links movement with breath, creating a strenuous, moving meditation.

HATHA YOGA

An all level alignment-based practice that integrates the anatomical principles and biomechanics of yoga asanas with the ethical and philosophical tenets of the tradition. Provides an empowering opportunity to work through any obstacles that hinder physical, mental and emotional well-being.

GENTLE FLOW

An introductory yoga practice that provides plenty of modifications to make individuals of any skill level feel welcome. Uses postures as a guide for a journey into the self, thereby integrating the body, mind and spirit.

RESTORE

A yoga practice sequenced to maximize the relaxation response and promote deep physical and emotional settling. Alternates gentle movement and poses while settled in deep relaxation. Incorporates the support of bolsters and blankets to release tension.

POWER HOUR

A strength and conditioning workout that enhances balance, stability and coordination through the development of core and body strength. Shoes recommended.

MOUNTAIN YOGA

An alignment-based practice that focuses on balancing strength and mobility in the hips, back and legs: the most-used areas of the body by mountain enthusiasts.

BUTTS AND GUTS

A fun, stress relieving way to burn calories! Shoes recommended. A high-energy session that conditions muscles and targets the hips, thighs, glutes and core.

SOLA YOGA

Incorporates a wooden dowel to provide additional support in yoga asanas and to maximize the length, strength and functionality of each pose.

FLUID HEART YOGA

A lighthearted Vinyasa Flow for all levels that focuses on yoga postures that opens hips, shoulders, neck, and heart.
